Changes in Public Transport from 10th June

Based on an agreement between the City of Prague, Central Bohemian Region and concerned towns, there will be a nationwide change in timetables as of 10th June 2012. The operation of buses of Prague Integrated Transport (PIT) will be extended and there will be some other minor changes to the timetables.

For instance, two new bus stops will be set up on the midibus route 156 in Prague 7. These will be the stops **U Vody** (in both directions: at the crossroad of Jankovcova and U Vody streets) and **Poliklinika Vltavská** – (in the direction of Nádr. Holešovice: on the exit ramp from Bubenská Street to Nábřeží Kapitána Jaroše)

New bus route

A new bus route **432** will be set up between Milovice, žel. st. – Milovice, Topolová, with connections to S20 trains (operating on working days until approx. 20:00h).

Extension of the operation of regional buses

381 route is extended by Suchdol – Kutná Hora, aut. st.

387 route is extended by Horní Kruty, Újezdec – Uhlířské Janovice, nám.

398 route is extended by Kostelní Lhota – Poděbrady, žel. st.

New tariff zones 6 and 7 and extended full integration

Along with the extended operation of PIT buses, two **new tariff zones 6 and 7** will be established. There are also new types of both single and pre-paid PIT tickets.
